Company for Veneer and Plywood

CENTURYPLY

*30 YEAR WARRANTY

TERMS & CONDITIONS:

1. Upon the receipt of a complaint, Century Plyboards (India) Ltd. shall depute their authorised representatives for physical inspection of the allegedly damaged portion of the products at the place where it has been used.

2. At the time of inspection, the purchaser/owner will have to produce the proof of purchase (cash memo, invoice etc.) issued either by the authorised dealer of Century Plyboards (India) Ltd. or by the company.

3. Century Plyboards (India) Ltd. reserves the right to take sample from the damaged portion of the products and thereafter send it for physical/chemical examination to any of the following places:

a. CenturyPly laboratory
b. All nationally renowned laboratories including:
- National Test House - Shriram Test House, Delhi
- B.I.S.
- Other government recognised laboratories

4. On satisfactory proof of the originality of the product with CenturyPly based on physical and/or chemical examination, Century Plyboards (India) Ltd. shall replace equal quantity of the product which has been genuinely damaged.

5. This warranty shall not be applicable in case of normal wear and tear or any abnormal use of the product or due to any reason which is beyond the control of Century Plyboards (India) Ltd.

6. This warranty shall not be applicable if the CenturyPly branded products are combined with any other brand of wood panel products or untreated timber for furnishing.

7. This warranty shall not be applicable if the CenturyPly branded product is mixed or used with any other product and the harm was caused by the use of the end product in which the CenturyPly branded product was used.

8. This warranty shall not be applicable if the damage is on any other property other than the CenturyPly branded product.

9. Century Plyboards (India) Ltd. provides 30 year warranty against borer and termite attack subject to the below conditions:
Though Century Plyboards (India) Ltd. treats its products with special chemicals, the warranty does not cover the natural wear/tear or abnormal use of the material, i.e. close proximity to water or if product has over 15% moisture content which is in accordance to BIS norms or any other similar contingencies, lack of maintenance or severely pest infected environment and inferior/bad workmanship. Century Plyboards (India) Ltd. is not responsible for any consequential damages to the plywood products.

10. The liability is limited to the extent of replacement of the material actually damaged.

11. This warranty shall not be applicable in any case of commercial or economic loss including any direct, incidental or consequential loss relating thereto.

12. This warranty is not applicable if there is any breach of warranty condition by the Consumer or the Purchaser.

13. This warranty shall not be applicable if the Purchaser and/or the Consumer fails to strictly adhere to the instructions or warning regarding improper or incorrect usage of the Century Plywood product and/or is not diligent and/or has not taken all measures to prevent any harm to the products.

14. This warranty shall not be applicable if the CenturyPly branded products has been misused, altered or modified by the consumer or any other person including the product seller other than Century Plyboards (India) Ltd.

15. This warranty shall not be applicable if any other person including the product seller has failed to exercise reasonable care in assembling, inspecting or maintaining such product including the warranty or instructions of Century Plyboards (India) Ltd.

16. This warranty shall not be applicable in case any other person including a product seller has made an express warranty independent of that made by Century Plyboards (India) Ltd.

17. This warranty shall not be applicable if the CenturyPly branded product is used under the influence of alcohol or any other prescription drug which has not been prescribed by a medical practitioner.

18. Century Plyboards (India) Ltd. shall only entertain financial claim or claim for replacement subject to the test certificate (from testing facilities as listed in clause 3 - a and b), confirming the manufacturing defect and the visual, chemical and physical examinations confirming that the product is a genuine product of Century Plyboards (India) Ltd.

19. Customers are requested to check the image below for proper identification of products manufactured by Century Plyboards (India) Ltd.

20. This warranty applies to all the warrantied products of Century Plyboards (India) Ltd. purchased after 1st September 2022

21. This warranty is applicable up to 30 years from the date of manufacture mentioned on the product.

CENTURYPLY
Company for Veneer and Plywood

SAINIK 710
WATER PROOF PLY

*10 YEAR WARRANTY

COMPANY PLY PANELS WARRANTY TERMS & CONDITIONS

1. Upon receipt of a complaint, Century Plyboards (India) Ltd. ("Company") shall depute its authorised representatives for inspection of the allegedly damaged portion at the site within a reasonable period ideally within 15 working days, and the purchaser/owner shall provide all necessary access for such inspection.
2. At the time of inspection, the purchaser/owner must produce valid proof of purchase (invoice/cash memo) issued by Company or its authorised dealer. Claims without verifiable proof of purchase shall not be entertained.
3. Company reserves the right to draw samples from the affected portion and subject them to physical/chemical testing at its laboratory or at any recognised laboratory including National Test House, Shriram Test House (Delhi), BIS-approved or other government-recognised laboratories. (Testing costs shall be borne by the Company only if the claim is approved. Otherwise, the same may be recovered from the claimant).
4. Subject to verification of genuineness and confirmation of defect attributable to manufacturing or covered risk, Company shall, at its sole discretion, either replace the affected plywood/block board panels or refund the original invoice value. The Company's maximum liability shall be limited to the replacement value of the plywood panels only.
5. Notwithstanding anything contained herein, manufacturing defect-related claims (including but not limited to bending/warping, broken/chipping, gaps/batten gaps, overlaps/surface undulation, screw/nail holding issues, thickness variation, and door/blockboard frame cracks) shall be covered only for a period of one (1) year from the date of purchase.
6. Subject to the applicable warranty duration of the respective product, Company hereby provides warranty against borer, termite, delamination and wood fungus decay, provided such damage is not caused or contributed to by external factors or exclusions set out herein.
7. Borer, termite, delamination and wood fungus decay attack will be covered for the entire warranty period and shall commence from the date of purchase as per invoice.
8. This warranty does not cover or apply to:
   a. Normal wear and tear or aesthetic changes over time;
   b. Moisture content exceeding BIS prescribed limits;
   c. Bending, warping, twisting or distortion beyond BIS prescribed limits;
   d. Improper storage, handling, installation, carpentry or workmanship;
   e. Poor workmanship, improper installation, faulty application, or non-compliance with recommended installation practices, including but not limited to:
      i. incorrect framing or inadequate structural support;
      ii. improper screw/nail selection or fixing methods;
      iii. improper alignment, leveling, or joint treatment;
      iv. use of incompatible adhesives, chemicals, polishes, laminates, coatings, or finishes;
      v. cutting, resizing, grooving, drilling, or modification contrary to manufacturer guidelines;
      vi. failure to follow prescribed sealing or surface protection procedures.
   f. Use in pest-infested environments or damage caused by external infestation;
   g. Abnormal, unintended or improper use of the product after purchase;
   h. Use in combination with non-Company products, untreated timber or inferior materials contributing to damage;
   i. Any modification, alteration, machining or treatment post-purchase affecting product composition;
   j. Failure to follow usage instructions, warnings or maintenance guidelines;
   k. Any independent warranty or representation made by dealers or third parties;
   l. fire, accidental fire incidents, electrical short-circuits, external heat exposure, or any other external hazard or force majeure event, except where a manufacturing defect independent of such event is conclusively established;
   m. Any commercial, indirect, incidental or consequential loss.
      Such issues shall be treated as site-related, installation-related, usage-related, or maintenance-related issues and not constituted as manufacturing defects under this warranty.
9. The Company shall not be liable for any damage or defect unless such damage or defect is conclusively established, upon inspection, to have originated from the products manufactured by the Company, and compensation shall be limited to the extent the Company's products are impacted or responsible for the resulting damage.
10. This warranty shall not apply where the product is misused, negligently handled, improperly maintained, or used under abnormal conditions or circumstances beyond the control of Company.
11. The Company shall communicate the outcome of inspection/testing and proposed resolution within a reasonable time (generally within [30] days from sample submission), subject to laboratory timelines.
12. Warranty registration within two (2) months of purchase is recommended for efficient service; however, non-registration shall not invalidate the warranty if valid proof of purchase is provided.
13. Customers are advised to verify product authenticity through labels, markings or QR codes affixed on the product.

14. The Company shall not be liable for any claims where there is breach of warranty terms or non-compliance with the conditions set out herein by the purchaser/owner.
15. The purchaser/owner shall extend full cooperation to the Company during the inspection and claims process, including permitting site inspection, sampling, testing, and providing complete and accurate information/ documents as may be required. Failure to do so shall render this warranty null and void.
16. The determination of Company with respect to defect identification, genuineness of the product, cause of damage, eligibility of the claim, and the nature and quantum of compensation or remedy shall be final and binding on the purchaser/owner;
