15 years of experience in the field of interior design and construction, specializing in residential and commercial projects, including furniture, lighting, and space planning. Proven ability to manage projects from concept to completion, ensuring client satisfaction and budget adherence.

Proficient in AutoCAD, SketchUp (3D modeling), and strong knowledge of materials and construction techniques. Excellent communication and teamwork skills, with a focus on delivering high-quality results and maintaining clear communication throughout the project lifecycle.

As a team leader, I have successfully managed a team of professionals, ensuring efficient workflow and timely delivery of projects. My expertise spans across various stages of interior design, from initial consultation to final installation.
